

# UPCOMING EVENTS

## Girls in Aviation Day 2025

**Starting August 15<sup>th</sup>, 2025**

As we tread further towards our milestone of **10 years** of Women in Aviation India on **December 7th, 2025**, our quest to reach out to thousands of girls across India promises to be wider and more impactful than ever before!

### Join us in this iconic celebration!

Together we can achieve the unimagined.

### How can you support this outreach?

- If you are connected with a school or college, please connect us with them so that a GIAD celebration may be hosted & organised at their venue, for their girl students. WAI will sponsor all GIAD merchandise
- Volunteer a few hours of your precious time to inspire young students to pursue careers in aviation and shape the future of a thousand households
- Support us by inviting experts from diverse fields of aviation known to you who can volunteer as speakers to encourage the students
- If you represent an airline, support us with air tickets for members and speakers to fly to various destinations or even a group of young dreamers who have never travelled in a plane before!
- If you are a journalist, help amplify this mission so that we achieve maximum outreach
- If you are a part of aviation tech, give us an opportunity to bring students to your facilities

All roads lead to one destination:

**Giving Wings to Dreams!**
